NEWS RELEASE

Bumitama refers to the article "The No Deforestation Revolution: Two Years In"

Jakarta, 27 January 2016 – Bumitama Agri Ltd and its group (Bumitama) refers to the article by Glenn Hurowitz named "The No Deforestation Revolution: Two Years In" issued on the Huffington Post website on 21 January 2016.

Bumitama has been working closely with Wilmar International Limited (Wilmar). Our Sustainability Policy launched in August 2015 is in line with Wilmar's "No Deforestation, No Peat, No Exploitation" policy.

The allusion made to Bumitama refers to the Greenpeace report titled "Indonesia's Forests: Under Fire" (Greenpeace report) dated 19 November 2015. Bumitama issued a News report named "[Bumitama Reports on the Progress of ASMR](#)", which refuted all allegation listed by Greenpeace. Had Mr. Hurowitz taken the care to verify the statements in the Greenpeace report, he would have noticed that these were untrue.
