### **HEART TO SERVE – BUMITAMA’S STAFF RESPONDED TO PALU AND DONGGALA DISASTER**

---

Friday, 19 October 2018 - Concerned staff of the Jakarta head office of PT Bumitama Gunajaya Agro (BGA) and the Yayasan Bumitama foundation got together and raised a donation in response to the loss of lives, displacement and widespread destruction caused by the earthquake and tsunami of Palu of 28 September 2018. This donation had been handed over to ACT (Aksi Cepat Tanggap) within a week of the date that all of us will remember with heaviness and sadness in our hearts for all those who had been affected and impacted by this disaster.

Coincidentally, BGA head office had also organized a blood donation drive with the Palang Merah Indonesia, to help top up the blood banks in Jakarta. As reported by Jakarta Globe on 11 July 2017, Indonesia falls one million bags short of meeting its emergency medical needs due to severe lack of volunteer blood donors. BGA and its plantations have been conducting regular blood donation drives at least twice a year for the past 4 years.

We are very proud to work for BGA, where values are internalized and upheld by the workforce in unison with the company.
